

Professional Caregiver Profile

24 Years of Compassionate Senior Care

Supporting the well-being and independence of seniors has been my lifelong passion for the past 24 years. My extensive background includes specialized experience with dementia and Alzheimer's care, as well as proficiency with Hoyer lifts. I am compassionate, detail-oriented, and dedicated to earning the trust of those I support. As a professional caregiver, I am happy to assist your loved ones with mobility, personal care, meal preparation, and hospice services. I am comfortable adapting to changing routines and unexpected challenges to ensure your family member feels secure. I provide regular updates through your preferred communication method to keep you informed. I hold CPR training and First Aid certifications to ensure the highest safety standards. With my own reliable transportation, I am ready to provide consistent, high-quality care. I look forward to bringing comfort and dignity to your home while building a meaningful bond with your family.
